

# Request for Proposal (RFP): Software Development Services

## 1. Introduction

XYZ Corporation is seeking proposals from qualified vendors to develop a custom software solution. The objective of this project is to enhance operational efficiency and improve customer experience.

## 2. Scope of Work

The selected vendor will be responsible for the following:

- Requirements gathering and analysis
- UI/UX design
- Backend and frontend development
- QA testing and deployment
- Post-launch support and maintenance

## 3. Technical Requirements

The proposed solution must meet the following requirements:

- Compatibility with Windows and macOS
- Support for RESTful API integration
- Database compatibility with PostgreSQL and MongoDB
- Scalable and modular architecture

## 4. Submission Details

All proposals must be submitted by **April 30, 2025**. Please include pricing details, timelines, and references. Send proposals to *rfp@xyzcorp.com*.
